FACTS

- 12. - 13. In Commission Order 2020-003, the Commission also stated that it deemed it necessary and proper to ensure the casino licensee is financially suitable and operating suitably by requiring the casino licensee to maintain in the Commonwealth at all times funds sufficient to pay for three months operating expenses, in addition to the previous minimum bankroll required by Regulation §175-10.1-560(a).
- 14. In Commission Order 2020-003, the Commission ordered that, no later than thirty (30) calendar days from the effective date of this Order, the casino licensee shall maintain cash or

In Commission Order 2020-003, the Commission ordered that, If at any time the licensee's available cash or cash equivalents should be less than the amount required by this Order, the licensee or operator shall immediately notify the Commission of this deficiency and shall also detail the means by which the licensee shall comply with the minimum capital requirements.
- 17. Commission Order 2020-003 stated that it is to take effect immediately or at the earliest time allowed by law, and shall remain in effect until it is repealed or replaced by

subsequent Order of the Commission.

- 26. Enforcement Action 2020-003 contained four claims. become due. Claim Two alleged that the casino licensee violated Commission Order 2020-003 by failing to detail the means by which it will comply with the minimum capital requirements of Commission Order 2020-003.

- 27. Claim Three of Enforcement Action 2020-003 was for declaratory relief and sought an order declaring that IPI's failure to comply with the minimum capital requirements of Commission Order 2020-003 and failure to detail the means by which it shall comply with the minimum capital requirements of Commission Order 2020-003 amount to unsuitable methods of operation per §175-10.1-1805(a), or otherwise, and requiring IPI to immediately come into compliance with Commission Order 2020-003 immediately upon the effective date of the Commission's Order. Claim Four was for declaratory relief and sought a declaration from the Commission providing notice to the Governor and the public, declaring that IPI's, fiscal and financial capability as owner and operator of the casino, has significantly diminished such that the public interest is no longer protected, and sought an order from the Commission ordering IPI to immediately obtain financial capability sufficient to pay all debts as they become due so the public interest is sufficiently protected.
- 28. Enforcement Action 2020-003 was consolidated with Enforcement Actions 2020-004 and 2020-005 under the caption for Enforcement Action 2020-003 (Consolidated).
- 29. In the First Stipulation as to Certain Fact(s) which Not (sic) Disputed by the Parties filed in Enforcement Action 2020-003 (consolidated), IPI specifically stipulated that the following facts concerning Order 2020-003 were undisputed:

THIRD CLAIM DECLARATORY ORDER

- 63. Petitioner incorporates herein by reference paragraphs 1-62 as hereinabove alleged as if set forth here in full.
- 64. Petitioner seeks an Order from the Commission declaring that IPI's failure to comply with the minimum capital requirements of Commission Order 2020-003 and failure to detail the means by which it shall comply with the minimum capital requirements of Commission Order 2020-003 amount to unsuitable methods of operation per §175-10.1-1805(a), or otherwise, and requiring IPI to immediately come into compliance with Commission Order 2020-003 immediately upon the effective date of the Commission's Order.

FOURTH CLAIM DECLARATORY ORDER

- 65. Petitioner incorporates herein by reference paragraphs 1-64 as hereinabove alleged as if set forth here in full.
- 66. Petitioner seeks a Declaration from the Commission providing notice to the Governor and the public, reiterating that IPI's, fiscal and financial capability as owner and operator of the casino, has significantly diminished such that the public interest is no longer protected.
- 67. Petitioner further seeks an Order from the Commission ordering IPI to immediately obtain financial capability sufficient to pay all debts as they become due so the public interest is sufficiently protected.

FIFTH CLAIM DECLARATORY ORDER

- 68. Petitioner incorporates herein by reference paragraphs 1-67 as hereinabove alleged as if set forth here in full.
- 69. Petitioner seeks a Declaration from the CCC that, due to the numerous major violations of law and regulations that IPI has repeatedly committed, the Casino License Agreement is terminated and revoked.

SELF-REPORTING DETERMINATION

- 70. Petitioner incorporates herein by reference paragraphs 1-69 as hereinabove alleged as if set forth here in full.
- 71. Regulation §175-10.1-2530 is entitled "Self-reporting Determination". It reads: "The CCC, the Executive Director, or the hearing examiner, as the case may be, shall determine whether the licensee immediately, promptly or belatedly self-reported the offense (and the facts giving rise thereto) to the CCC, or whether the licensee failed to report the offense in a timely manner or at all."
- 72. IPI did not immediately report the facts resulting in the above-alleged violations. IPI did not affirmatively inform the CCC in writing of each daily violation.

DETERMINATION OF OFFENSE LEVEL

- 73. Petitioner incorporates herein by reference paragraphs 1-72 as hereinabove alleged as if set forth here in full.
- 74. Mandatory offense levels for certain offenses are established by Regulation § 175-10.1-2540.
- 75. For each offense not listed in §175-10.1-2540, the Commission, the Executive Director, or the hearing examiner, as the case may be, shall determine whether the offense should be penalized as a minor offense, and intermediate offense. § 175-10.1-2535(a).

76. The offenses alleged in Counts One and Two of this Complaint (failing to make any fee payment when due) are listed in §175-10.1-2540(c) as major offenses such that a determination of offense level need not be made pursuant to §175-10.1-2535(a). Notwithstanding the foregoing, Petitioner alleges that the violations alleged in Counts One and Two are major offenses pursuant to §175-10.1-2535(a), §175-10.1-2540, or otherwise.

- 77. Petitioner alleges, on information and belief, aggravating factors that violating duties specifically required by law, regulation, and contract by a casino licensee is extremely deleterious to the image of gaming in the Commonwealth, and that the harm caused by IPI is great in that the public's confidence in general and the gaming public specifically is greatly harmed when the licensee repeatedly violates law and regulations and repeatedly breaches contracts.
- 78. Petitioner alleges, on information and belief, more aggravating factors that: this is repeated conduct; the conduct is knowing and willful, and Respondent has, within the year, not disputed that it committed thousands of violations of law and regulations in Enforcement Action 2020-003 (consolidated).

PENALTIES

- 79. Petitioner incorporates herein by reference paragraphs 1-78 as hereinabove alleged as if set forth here in full.
- 80. Each minor offense may be punished by: no punishment; a written warning; a fine not to exceed ten thousand dollars; and/or (in the case of a licensee not the casino operator) suspension of the license for a period not to exceed one month. § 175-10.1-2545(a).
- 81. Each intermediate offense may be punished by: a fine not to exceed twenty thousand dollars and/or (in the case of a licensee not the casino operator) suspension of the license for a period not to exceed six months. § 175-10.1-2545(b).

- 82. Each major offense may be punished by: no punishment; a written warning; a fine not to exceed fifty thousand dollars; and/or (in the case of a licensee not the casino operator) suspension of the license for any period of time up to and including license revocation. § 175-10.1-2545(c).
- 83. The casino operator license may be suspended or modified at the discretion of the CCC upon a finding that one or more major offenses have occurred. § 175-10.1-2545(d).
- 84. The casino operator license may be terminated at the discretion of the CCC upon a finding that major offenses have repeatedly occurred. § 175-10.1-2545(e).
 - 85. The violations herein are major offenses as established above.
- 86. Respondent Imperial Pacific International (CNMI) LLC has repeatedly committed numerous major offenses.
- 87. Due to the number of violations, the duration of IPI's non-compliance, and IPI's continued failure to achieve compliance, Petitioner alleges that IPI's violations as alleged in Counts One and Two warrant (a) a revocation and termination of the casino operator license, and (b) a penalty of a \$50,000 fine per violation per day of noncompliance the fee went unpaid for each of the violations alleged in Counts One and Two.

PRAYER FOR RELIEF

WHEREFORE, Petitioner requests the following:

- A. That the CCC finds and declares that IPI committed the violations alleged in this Complaint and that IPI did not immediately self-report to the CCC the facts which gave rise to the violation(s) prior to being contacted by the CCC's enforcement staff;
- B. That the CCC declares that the violations committed by IPI in Counts One and Two were major offenses pursuant to CCC Regulation;
 - C. That the CCC finds, declares and orders that IPI's failure to fully comply with

- D. That the CCC finds, declares and Orders that IPI's license to conduct gaming operations in the Third Senatorial District be immediately revoked and terminated as disciplinary action in accordance with the CCC Regulations;
- E. That the CCC Orders IPI to pay a fine of \$50,000 per violation per day of noncompliance with Commission Order 2020-003 for the major violations alleged in Counts One and Two herein.
- F. Such other or further relief as the CCC may deem just and proper under the circumstances.

DATED this 17th day of September 2021.
